THE ROAD GOOD-BYE

The road I took was named Good-bye
The path looked strange. I wondered why
It left familiar things behind.
A hand caught mine . . . I paid no mind.

The stranger never once did say
Just what had brought him on my way.
On we went, and some afraid,
I wished I hadn't come – but stayed.

All the friends that I once knew
Took a road named Good-bye too.
There were no roads just the same
Though all were called Good-bye by name.

And though I couldn't understand
We walked together hand in hand.
We said no words, but just walked on,
I thought of things now past and gone.

I thought of games I'd lost and won,
I thought of all the things I'd done,
I thought of those I'd loved and cared,
Of times we'd had, of things we'd shared.

I thought of those I'd come to know
Just knowing them – they'd helped me so.
I thought of things, of tears I'd shed . . .
Those same things now brought smiles instead.

The tasks I'd done, those left to do,
I wondered how I'd make it through
When something inside seemed to say,
"Do the best you can from day to day."

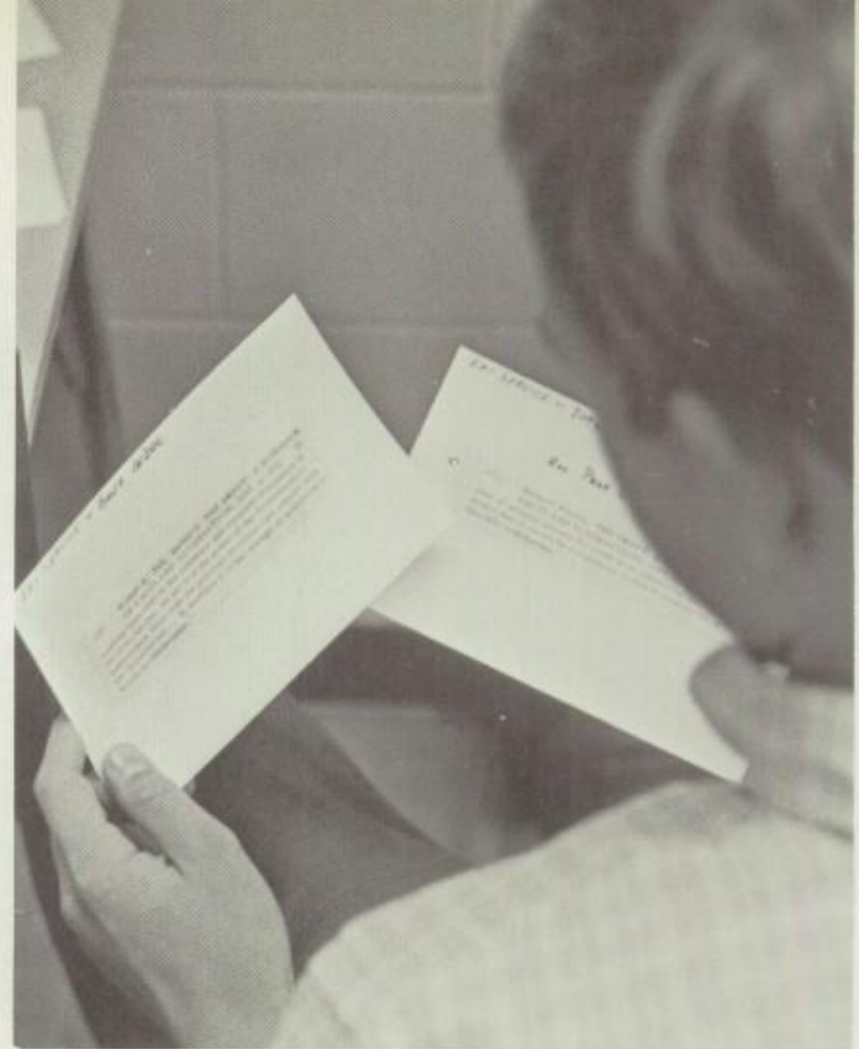

I thought of all the happy days,
The sad ones now seemed just a haze,
And in a flash I came to see
How much the past had meant to me.

We walked along – I wondered where
The future led and what was there.
The past still echoed from behind
I was it, and it was mine.

But in my heart was still a fear,
And in my eye was a shining tear;
Yet on my face there was a smile,
And we walked forward all the while.

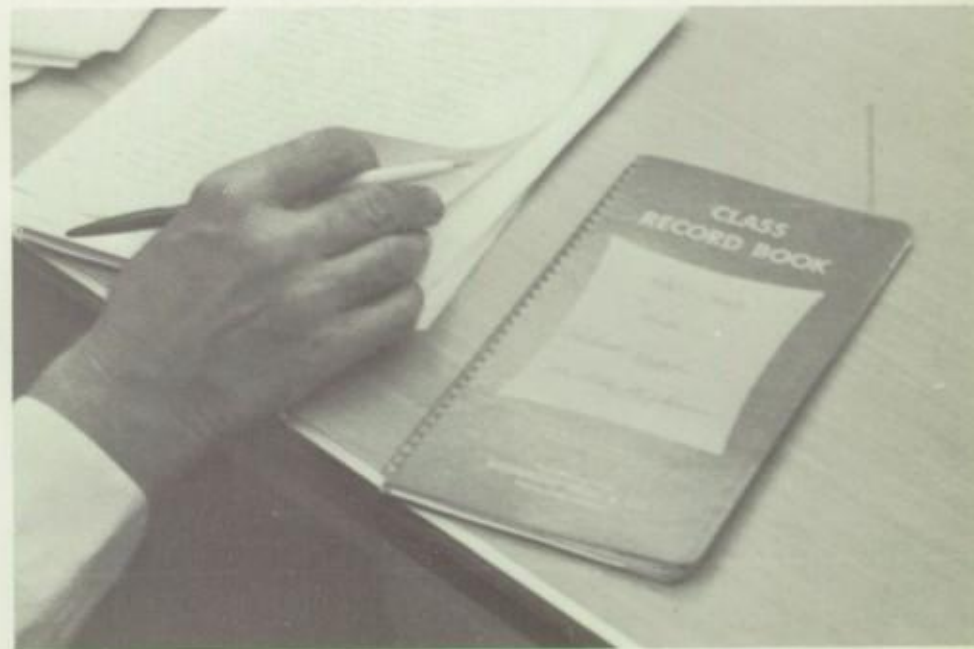

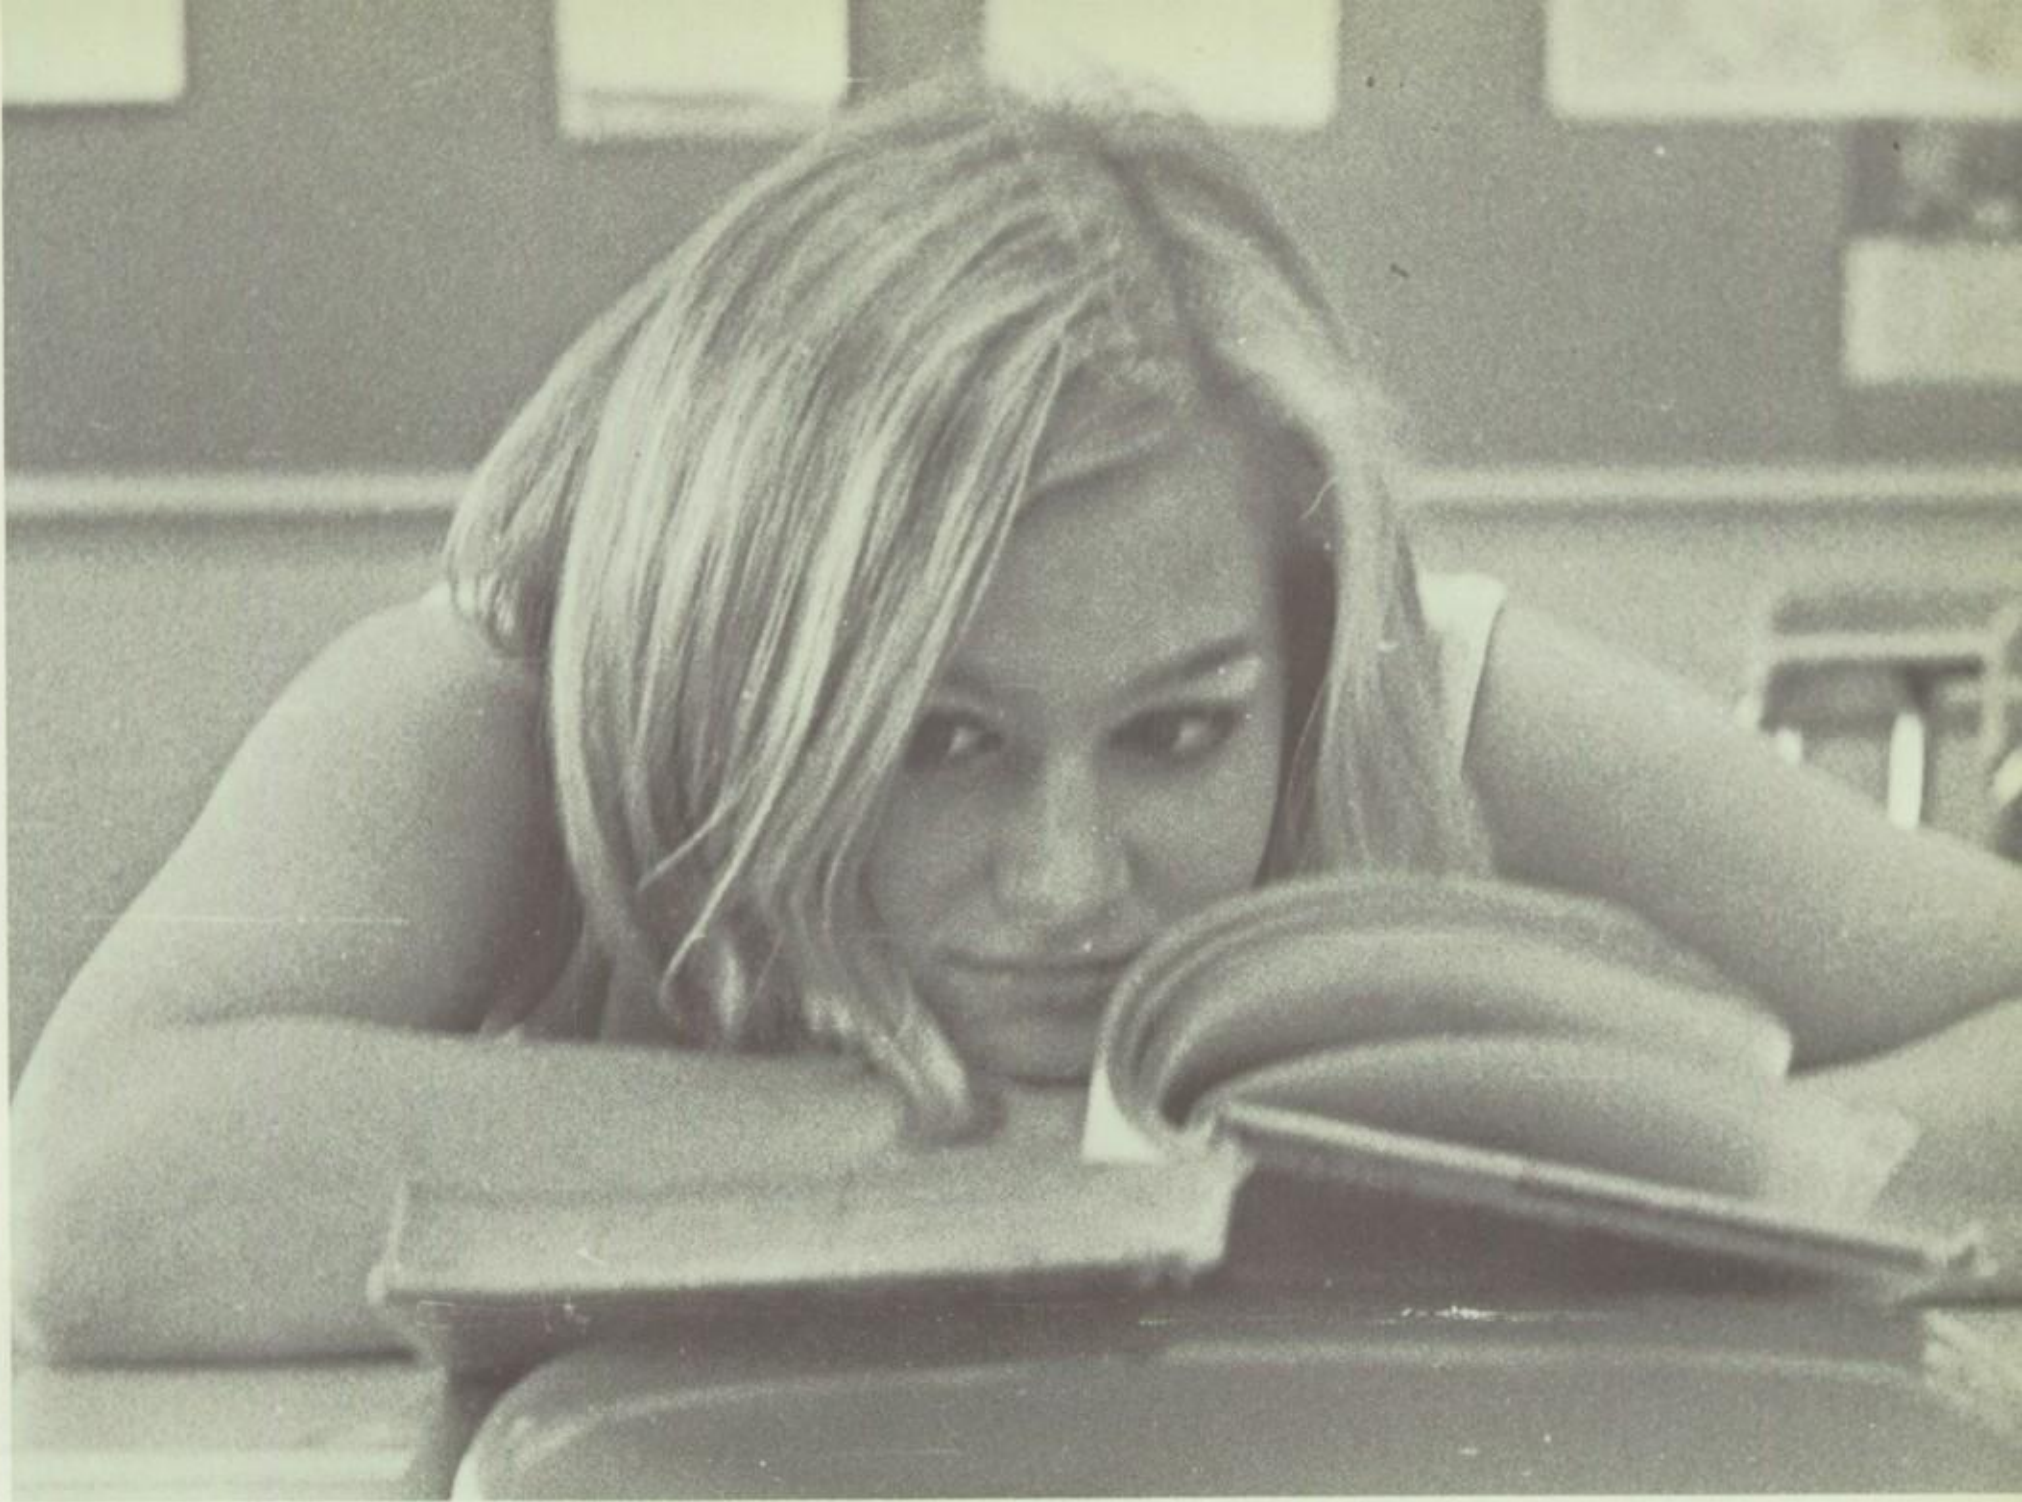

I walked along the road Good-bye.
I looked back once . . . I heaved a sigh
Then I remembered at my side;
My silent, but my constant guide.

The stranger's hand I felt in mine.
I looked into his face this time.
I asked his name – he turned just so,
He smiled and said, "I'm called Hello."

Superintendent Brings New Ideas

Dr. Lawrence F. Read, successor of Dr. Elven E. Duvall, is the new superintendent of the Jackson Public Schools. Dr. Read received his academic training from the University of Michigan, the University of Vienna, and Wayne State University. Before coming to Jackson, he had been principal and superintendent for many Michigan areas plus superintendent of the Dependent Schools in Vienna and Linz, Austria.

Serving under the Board of Education Superintendent of Schools, Lawrence F. Read is directly responsible for the direction of the Division of Instruction and Community Relations. This is the major division of the school system with its primary efforts directed toward the education of the students in the Jackson Public Schools.

Dr. Read looks over the annual school year budget.

Board Meets Arising Challenges

Members of the Board of Education are seated, left to right: Dr. Robert Medlar, president; Mr. John Whiting, vice-president; and Mrs. Horace Hunt, secretary. Standing are Mr. Leon Roberson, Mr. Evert VandenBos, Mr. William Allen, and Mr. James Climer, treasurer.

Many important decisions are made at the board meetings.

Dr. Medlar and Dr. Read look over the meeting's agenda.

The Board of Education is head of the Jackson Public Schools. The members of the Board are responsible for determining school policies, school management, and operational costs.

Board members must be willing to meet the challenges arising in such a large district as Jackson's. Our board members devote their valuable time to improve our school community.

Jim Osborn discusses senior class events with Mr. Kiesel.

Parkside's Pride and Principal

Students of Parkside High School have much pride and respect for Principal George Kiesel.

Mr. Kiesel is a graduate of the University of Michigan from which he received his bachelor of arts and bachelor of science degrees. After teaching physical education and coaching at Walled Lake, he went to Jackson High School.

Willing to help Parkside students at any time, Mr. Kiesel is always on the go attending school business meetings, sports events, and he is also responsible for making the many important decisions on the problems that arise at Parkside.

Mr. Franklin Graham:

Assistant Principal

Mr. Franklin Graham has been assistant principal since Parkside opened its doors in 1963. He has many various duties that keep him busy. Mr. Graham is in charge of scheduling for every student. The scheduling includes homeroom and class changes. He is in charge of curriculum development, that is, the type of classes the school will offer. Mr. Graham is also in charge of all special testing as well as the magazine campaign.

Mr. VanMeer decides what new sign to put in his administration office.

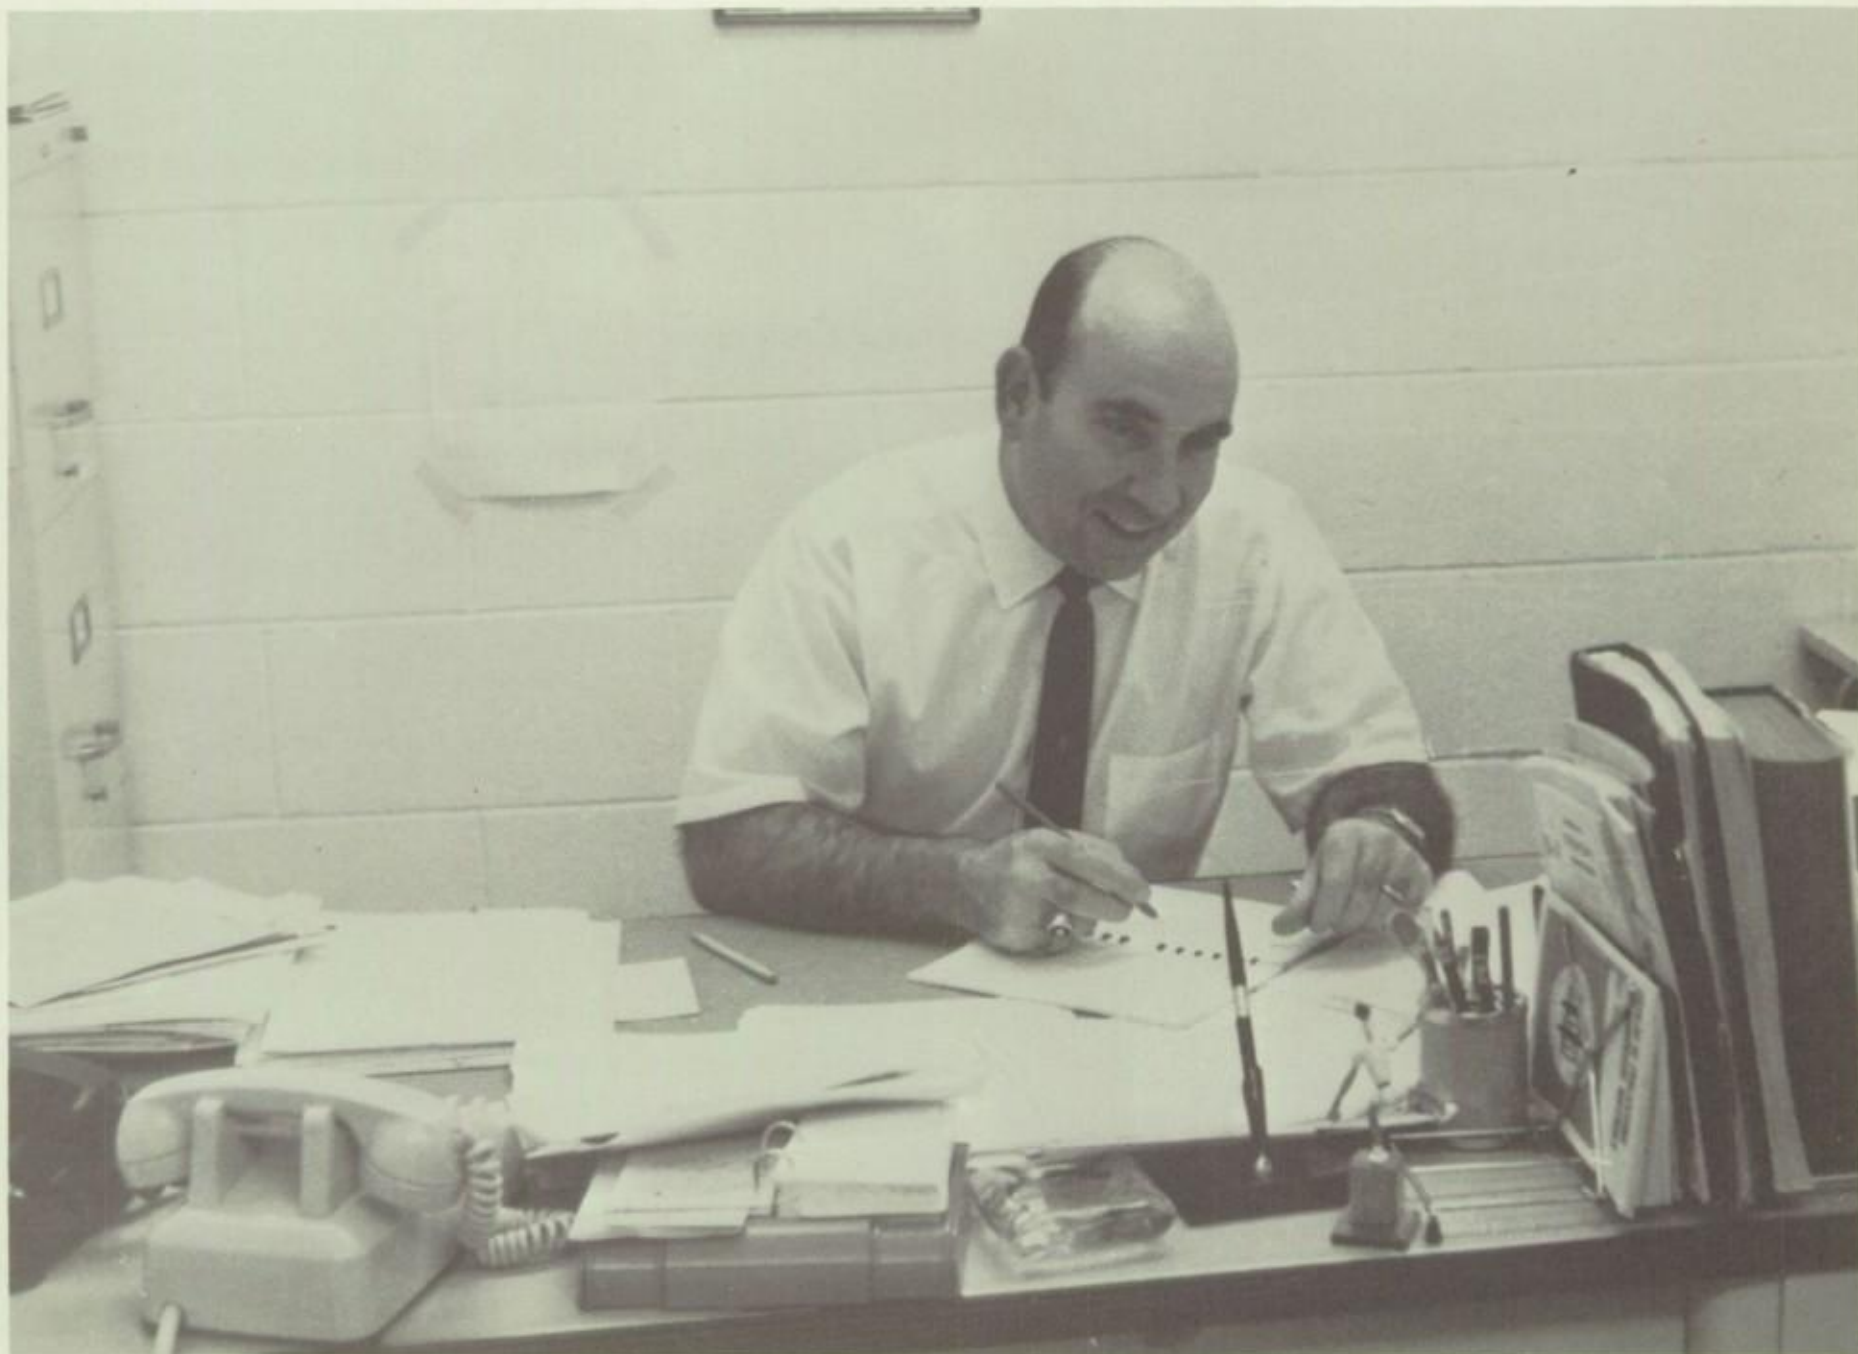

Administrators Are Alert and Able

Both of Parkside's administrators have given up athletic coaching jobs to become Administrative Assistants. Last year, Mr. VanMeer gave up coaching football and this year will be Mr. Fultz's last year of coaching Cross Country and Track. The varied jobs of these two men keep them very busy. Among Mr. VanMeer's duties are those of being principal of the ninth grade, director of the budget, adviser to Student Government, administrator of building supplies, head of the custodial staff and building security. Mr. Fultz is tenth grade principal, as well as head of attendance, building use for extracurricular activities, transportation, parking, and vehicle registration, I.D. cards, student pictures, and Graduation.

In spite of Mr. Fultz's busy administrative schedule, he still finds time to enjoy his sports trophies.

Athletics Have Diligent Director in Mr. Kiley

Mr. Kiley is interrupted from making last minute plans for the game.

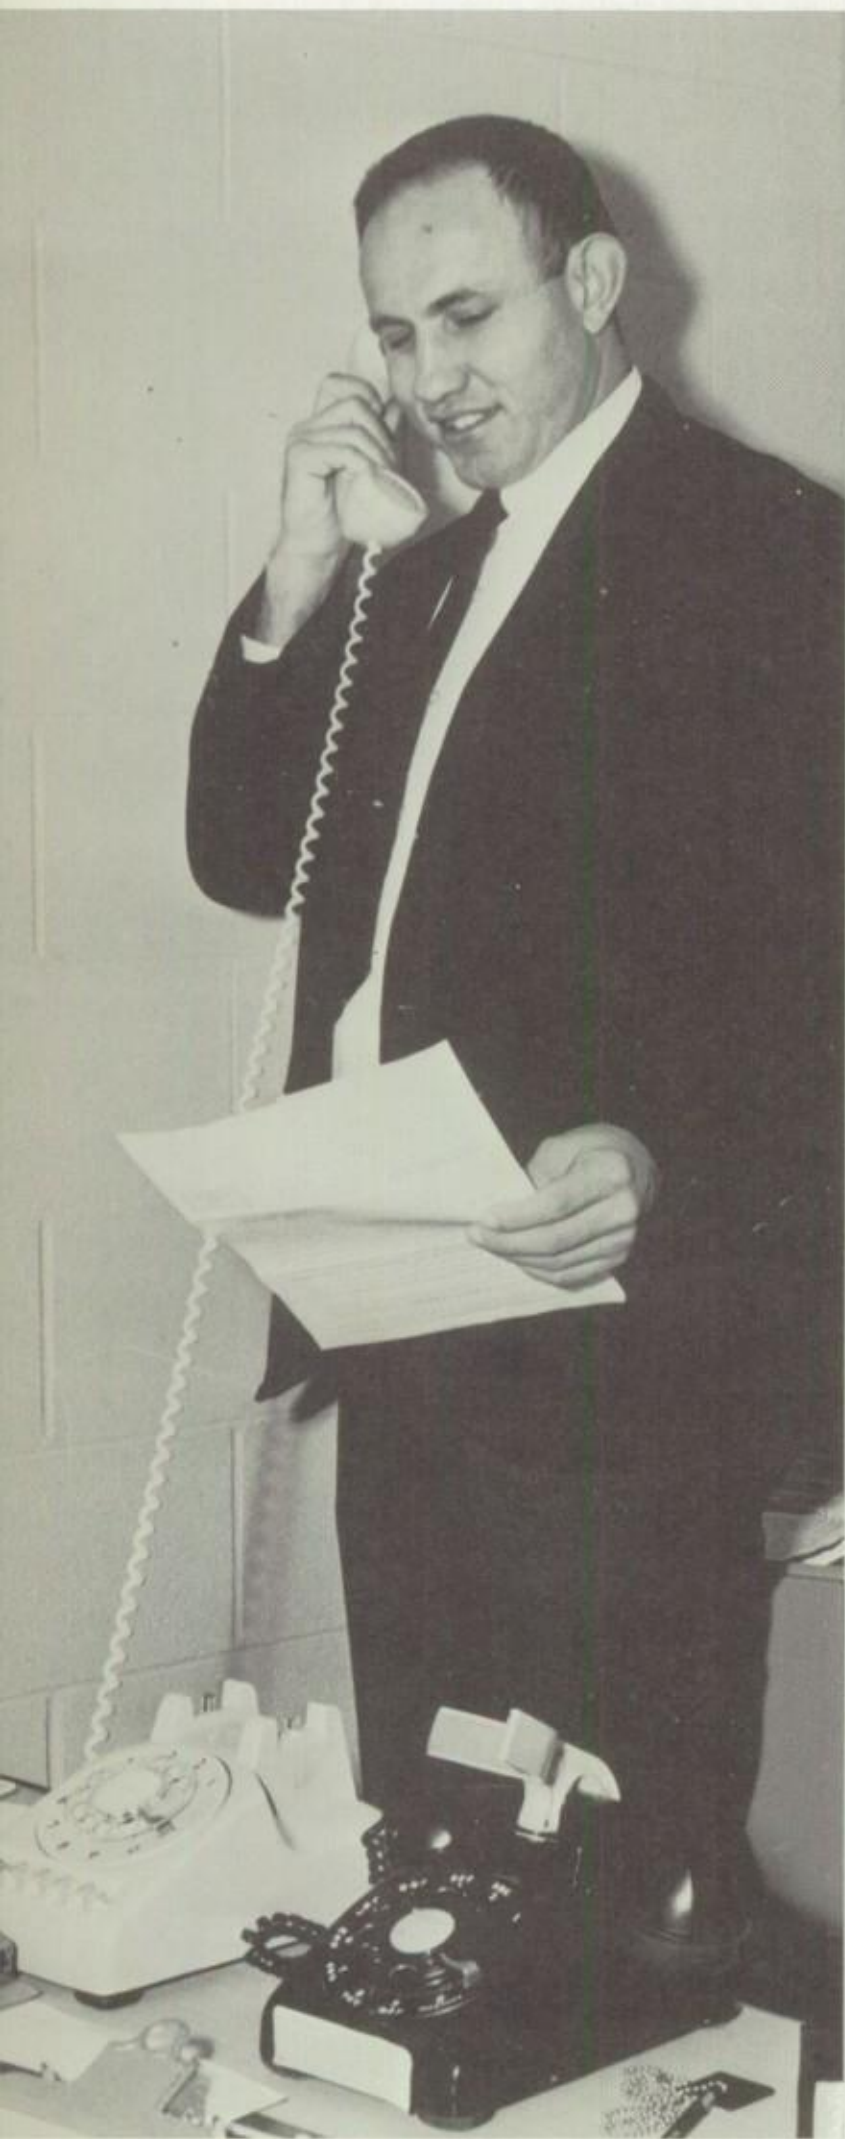

Mr. Kiley gives an athlete a health form to qualify him for a sport.

Being athletic director gives Mr. Dennis Kiley many varied responsibilities. He is concerned with the distribution of the programs at the football and basketball games and general running of the athletic functions.

As athletic director, Mr. Kiley schedules all the games and meets for each sport. He also reserves the Field House for sports events.

He also has other duties that keep him very much occupied. He is in charge of the bookstore. He also teaches American Government.

Counselors Guide Students Toward Future

Phone calls seem to be a major part of Mr. Perry's daily schedule.

Checking through his numerous files is important to Mr. Rappeleye's working day.

Helping Senior Alice Adams to enter the college of her choice is Mr. Jerry Carey.

Senior Belinda Schaefer seems to be enthralled with what Mrs. Zelpha Hauer has to say to her about attending college. One of the biggest jobs of Parkside's counselors is helping students into college.

Parkside High School counselors are probably the busiest people at Parkside. Besides arranging schedules for underclassmen, they must complete many forms for Seniors wishing to enter colleges. The paper work involved with being a counselor is really fascinating!

Parkside's five counselors, Mrs. Zelpha Hauer, Mr. Jay Kleinert, Mr. Jerry Carey, Mr. Don Rappeleye and Mr. Roger Perry spend many hard hours working for the benefit of Parkside students. They are always willing to talk over academic as well as personal problems. They arrange college tours for Seniors hoping to attend certain universities. Their duties and responsibilities are boundless and we all owe a lot to their expert guidance and counseling.

Administrative Advisory Council members, are, front row, Mrs. Alexander, Mrs. Phelps, Mrs. Seager, Mr. Kiley and Mr. Zenz. In the back row are, Mr. Graham, Mr. Kratofil, Mr. Grogan, Mr. Williams, Mr. Valas, Mr. Pombier, Mr. Fultz, Mr. Kiesel, Mr. Van Meer, Mr. Hobbs, Mr. Owens, and Mr. Klomprens.

Advisory Council Solves School Problems

The Administrative Advisory Council, composed of the faculty department heads, was established last year.

The Council represents the entire faculty, but hopes to accomplish more with a minority of the faculty present. They discuss matters with their specific departments and then report back to the Council.

The purpose of the Administrative Advisory Council is to discuss important school policies, such as, the dress code, disciplinary actions, and other matters which concern the faculty members.

Administration heads discuss student matters.

Librarians Services Are Vital

Mrs. Dutcher explains library procedures to a student.

Mrs. Dutcher, head librarian, has both new and familiar faces working with her this year. Miss Elder and Mrs. Travis, physical education teachers, have been assisting in the library during their free hours. Behind the Scenes . . .

Parkside's personnel staff are kept working around the clock in their constant, never-ending job.

Keeping a building the size of Parkside clean, is an easy job to tackle for Parkside's hard-working custodians.

Even though Parkside did not maintain a hot lunch program this year, the cooks kept busy preparing lunch for the teachers and satellite schools.

Energy and endurance, plus general capability, are prime necessities of Parkside secretaries whose duties are both numerous and time consuming.

Parkside's daytime custodians are left to right, John Randis, Irene Moore, and Harold Zenz.

World Understanding Grows

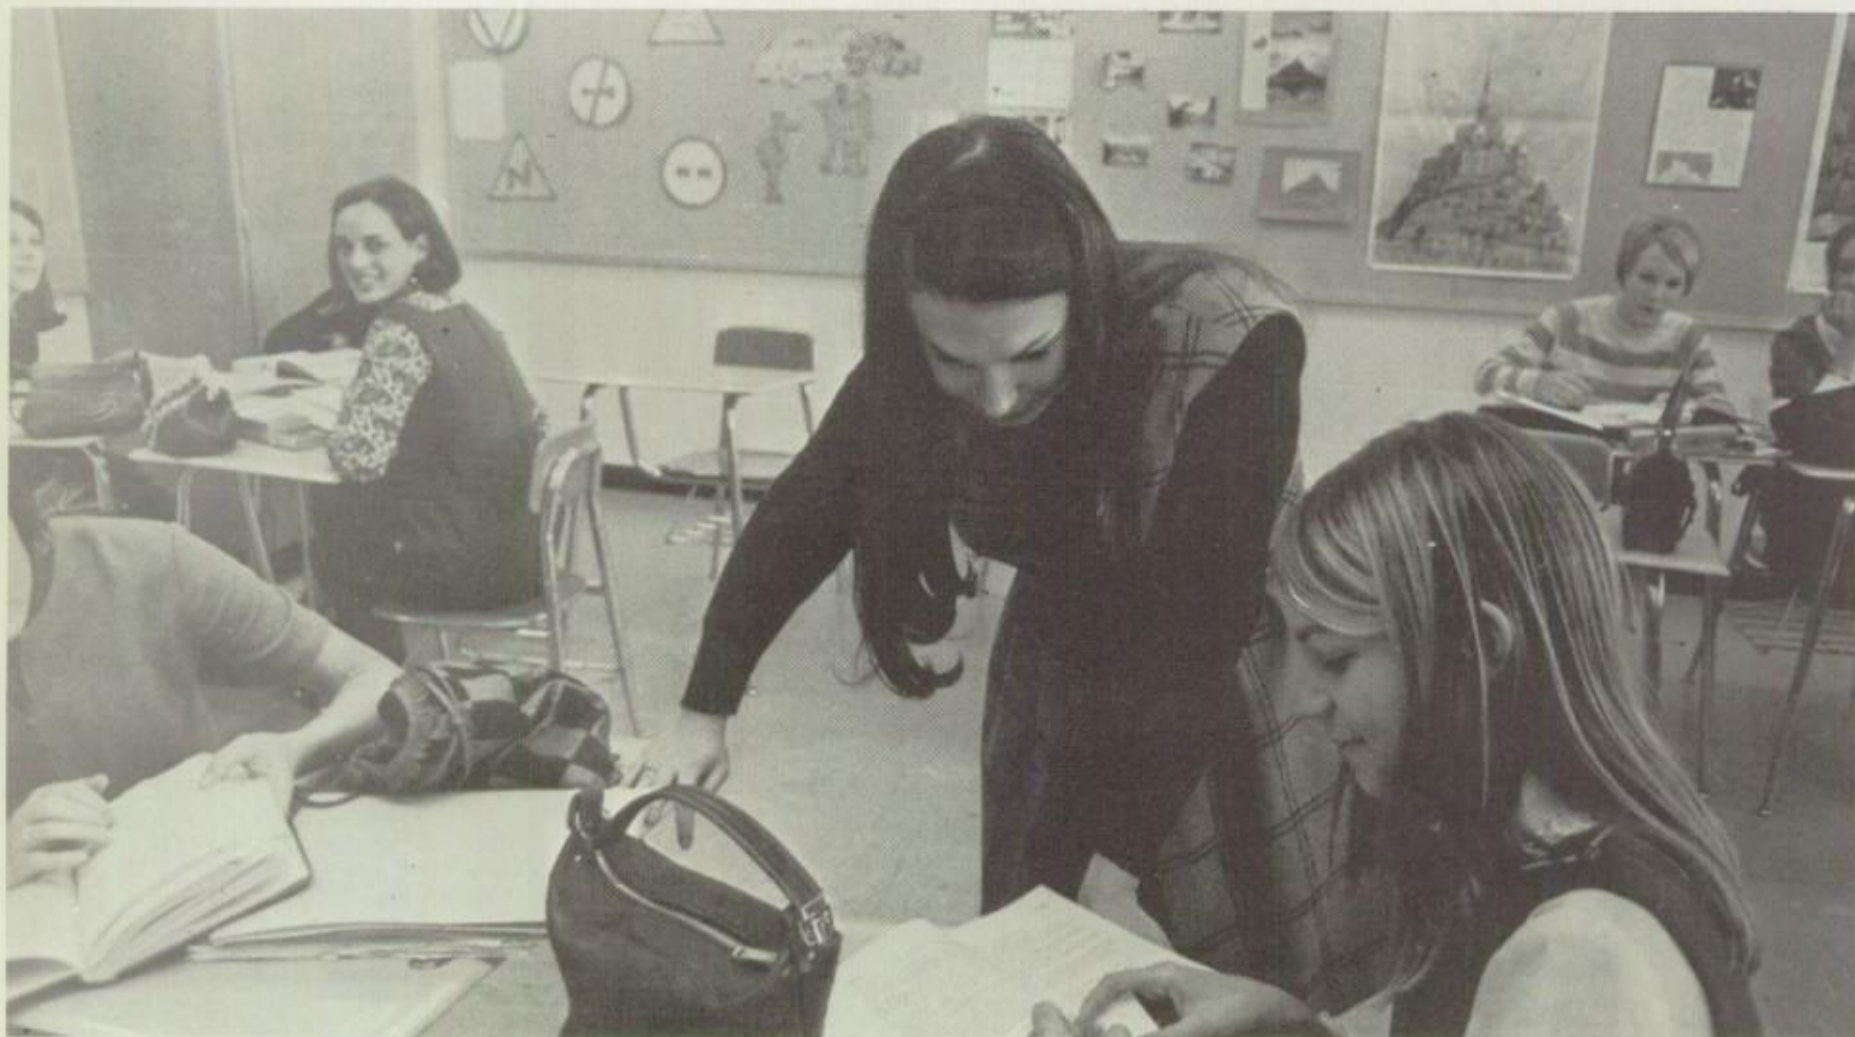

Parkside's language department, headed by Mr. Gabriel Williams, gives students a wonderful opportunity to learn about the language and customs of different countries.

Mrs. Shultz and some of her French students are planning a trip to France to study the language there. Mr. VanderLee and a few of his Latin students are also planning a trip to Italy to acquire first hand knowledge of the language they are studying.

Other foreign languages taught at Parkside are Spanish and German taught by Mr. Sierra, Mrs. Graham, and Mrs. Beier.

In the fall, each physical education student is tested on his coordination abilities and placed in a group one, two or three class according to his test score. This assures each student the opportunity to work with others equal in stamina. Under the supervision of Miss Elder, Miss Jackson and Mrs. Travis, girls' physical activities include basketball, softball, badminton, tennis, swimming, conditioning, and soccer. Boys' physical education classes under the supervision of Mr. Bender, Mr. Greene, Mr. Miller and Mr. Cooley include football, wrestling, basketball, track, tennis, and archery.

A student-to-student tutoring program was initiated for Parkside students, by Student Government as the first of its kind in the Jackson School District area. Although upperclassmen were the only ones able to participate in the program this year, it may be expanded to the freshmen in the future.

Social Science: A Study of Nations

Mr. Bromley points out an important event in American History to Deanne DeGolia.

Social Science is the study of people, their countries, customs, problems, and their economical, social and governmental standards.

In the Civics classes, students become acquainted with the federal government and the city government as well. In World History, the student learns a concise background of past civilizations which have brought about our modern society, while in American History, he learns of our American heritage.

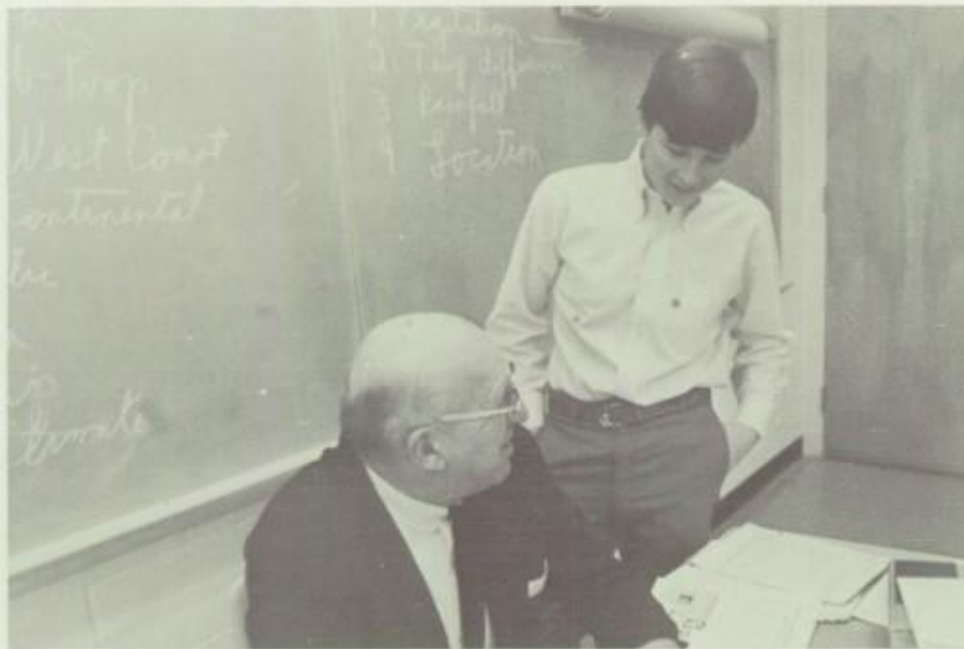

Government classes enable a student to better understand the governmental structure of his and other nations. The study of the world and its problems enables students to better understand themselves.

The Choir, Girls' Chorus, and Girls' Glee Club, all under the direction of Mrs. Iris Alexander do well represent the fine music produced in this area. The Varsity Band, Regimental Band, and orchestra supervised by Mr. James Mackie possess the same reputation. With all the modern conveniences of today, the cooking and sewing classes learn important and necessary skills that make them homemakers of tomorrow. PHS Cloak and Dagger Players . . .

The Parkside High School Cloak and Dagger Players, advised by Mrs. Aysel Bunce, was a welcome addition to our extra-curricular activities. Their first performance on January 16-17, was the three-act comedy play, *Arsenic and Old Lace*, by Joseph Kesselring. The entire action of the play takes place in the living room of the Brewster home, in Brooklyn. Adele Ahronheim and Amy Jenks played the roles of the two old aunts. Mortimer, played by Jim Jasperse, and Jane Leonard as Elaine added to the suspense of the play. Phil Mericle, as the bugle blowing Teddy and Tim Best, the policeman, brought laughter to the audience.

Under the fine direction of Miss Cheryl Clinkman, a student teacher from Albion, the play proved to be a smashing success.

Mrs. Bunce and Sandy Slater discuss the success of *Arsenic and Old Lace*.

Martha Noble and Anne Johns assume the roles of Mrs. Harper and Mrs. Henderson.

The purpose of the Parkside Latin Club and German Club is to promote a better understanding of the two languages. In studying a foreign language the student also receives an education in such things as the customs, history, and geography of the country in which the languages are spoken.

Many students will find that a knowledge of one of these languages will bring them brighter opportunities in their chosen profession or vocation.

Activities during the year included various things. The Latin Club had an inauguration in the fall for their new members. They also sponsored a banquet in the fall. The German Club also had a potluck dinner for their members.

The advisor for the Latin Club is Mr. VanderLee, and advisor for the German Club is Mrs. Beier.

Mr. Dave Driscoll, new adviser for Pep Club, presented many unique ideas to make the club a success. Each week, members painted signs for coming football and basketball games. Pep rallies were directed and produced by the members and were held before each big game.

In the fall, pop bottle collections were taken, and balloon sales were held to earn money for the club.

Pep club members urged non-members to take buses to the away games. They promoted spirit throughout the school by having a spirit leader in each class.

Officers for this year were; Marty Cotton, President; Anne Schofield, Vice-president; Joan Fiero, Secretary; Sue Gathmann, Treasurer; Sergeant at Arms, Murd Davis.

Tentative plans were being made in November of 1968, to have five best team members of Parkside's League play the five best team members of Vandercook Lake High School.

Le Cercle Francais

Mr. Gabriel Williams, advisor for both French Clubs.

Mr. Gabriel Williams is the adviser of both French Clubs of Parkside. The main goal of these two clubs is to gain a better understanding of the French culture and language. One way they accomplished this was by cooking a real French dinner, using imported French herbs. The other members brought various French dishes. The clubs also attended an International Fair, in Ann Arbor, which helped them learn about other countries as well as France.

The ninth grade officers for this year are President, Cindy Hansen; Treasurer, Cheryl Toalston; and Secretary, Barbara Luce.

Also a Halloween party was held on October 30, for the children at Hope School.

Money making projects for this year included a spaghetti dinner and the annual Sadie Hawkins dance which is held in the spring.

Being a student librarian may seem an easy job to some Parkside students but ask any one of our eight student librarians and they'll tell you differently! Working each day during their study halls and before and after school, these students accumulate many hours of hard work. Under the supervision of Mrs. Ola Dutcher many odd jobs and tasks are accomplished. Besides taking care of the books, magazines and information file these librarians learn how a library operates. We all have benefited from the work of these students and our hats go off to them.

Co-op Opens Doors

The purpose of Retail Co-operative is to give the students who work an opportunity to enjoy both social and school activities.

Office Co-operative Training Club is one phase of the practice education that's offered. These seniors go to school in the morning, then work in a business office for the other half of the day. In a co-op class, under the direction of Miss Merlin, they study the rudiment of office practice.

Retail Co-operative Training Club, another phase of practice education, offers academic subjects during the morning and conducts working activities at local stores in the afternoon.

The officers for Office Co-op were, Michael Morris, President; C. Mussell, Vice President; M. Ewald; Secretary; G. Perry, Treasurer; B. Clafflin, President; J. Clarke, Vice President; K. Marshall, Secretary; S. Murry, Treasurer; are the officers for this year's Retail Co-op.

Students Set Sights as Teachers

The Future Teachers Club of Parkside High School had a very successful year.

A potluck dinner was held October 23, 1968, for the candlelight initiation of the new members.

Club members became better acquainted with the career of teaching through speakers, movies, and special projects.

Parkside Beautified by FLA Members

The main objectives of this year's Future Leaders of Agriculture were to develop agricultural leadership, cooperation and citizenship. Activities to carry out these objectives included the continuation of community service projects such as landscaping, selling poinsettias and Easter lilies. They also contributed to the selling of mums for homecoming.

Another one of the FLA's money-making projects was the selling of sweat shirts, T-shirts, and jackets with Parkside High School monogrammed on them.

Debaters Finish Season

The Debaters work hard to know their topic.

The 1968-1969 Debate team has proven to be one of the best teams in the state. They have defeated every school in the debate tournament and have won over eighty-five percent of their Debates.

Mr. Pombier is the team's director and adviser. There are four Varsity members, four Junior Varsity members, and eight Novice members.

The Varsity received first places in the South Central Conference, Royal Oak Kimball Tournament, and I-94 League. They received second in WCTM and U. of D. Tournament.

The Junior Varsity are league champs (SCS). They also received second place in the Royal Oak Kimball.

The debaters swept the district championship with a 6-0 record. John McQuillan was the outstanding individual in this district. He will represent Parkside in the J. S. Knight scholarship competition competing for \$2,500.00 in prizes.

John McQuillan, Mark Schofield, Bill Jansen, and Steve Hansen, Varsity debaters, display some of their trophies.

PHS Orchestra Rated . . .

Orchestra members in concert formation.

The Parkside High School Orchestra, under the fine direction of Mr. James Mackie, is made up of many fine musicians. During the Band and Orchestra Festival, held on March 7, 1969, the orchestra received first division ratings.

Throughout the year the Orchestra performed in many concerts. One of the most remembered is "Pop Goes The Eagles," held on November 14, 1968. They did an outstanding job and Parkside is very proud of them.

The members of the Orchestra practice many long hours but are rewarded with the feeling that they are doing something to make life enjoyable for someone else.

Mr. James Mackie spends many hours directing orchestra members.

Hostesses Serve School and Community

The Hostess Club, under the new direction of Mrs. Barbara Brant, served the community and school throughout the year. They worked at such events as symphony concerts, and open houses for the school. They also hostessed for all the Fall, Winter, and Spring Sports Banquets, and M.E.A.

Girls who wish to join the club are chosen at the end of their sophomore or junior year and are accepted on their scholastic ability.

Officers for the year were Chris Muhich, President; and Chris Callendar, Secretary.

The boys also operate and coordinate all the auditorium equipment, such as for assemblies, plays, outside activities, concerts, and evening films. Besides operating the equipment in the auditorium, they also set up for assemblies and Athletic events in the Field House.

Mr. Koch is the department's advisor. He's the man that keeps the boys working and checking over the equipment.

Throughout the year the Audio-Visual department has given much of their time making sure that the teachers have all of the equipment they asked for. We owe these boys a big "thanks."

The purpose of the UN Club is to promote friendship between countries — exchange students. Under the supervision of Mr. Donahue, the club earned money selling donuts on Mondays for their international exchange weekend. This year it was held April 24-27, with almost 30 exchange students.

Last fall the members attended a "Mock UN Assembly, (MUNA) at Western Michigan University. At WMU they went through the same procedure as the regular United Nations. Also on March 7 and 8, the members attended a more detailed Mock UN Assembly, Interstate, at Hillsdale College.

Guiding the club this year are President, Mary Jo Richards, Vice-President, Wendy Gorzen, Secretary, Joyce Fiero, and Treasurer, Bob Gurrier.

Girls Have Fun Learning Fundamentals of Music

With the aid of Mrs. Alexander, the girls work hard to learn new music.

The Girl's Chorus has proven to be both fun and academic. Under the direction of Mrs. Iris Alexander, they work hard so someday they may be able to join the Parkside High School Choir.

By being in the Girl's Chorus, the girls explore the different fundamentals of music and the mechanics.

Each year, the chorus provides music at several different concerts, along with the Choir.

P.H.S. Choir Magnifies

Mrs. Alexander spends many, many hours perfecting the performances of the choir.

Members of the Parkside choir had a busy and rewarding school year. Under the excellent direction of Mrs. Iris Alexander the choir presented many fine concerts for the enjoyment of the student body and the public. This year, along with the instrumental music department, the choir sold season tickets to all their concerts throughout the year.

At Christmas time the choir, along with the Jackson Symphony Orchestra and the Euphony Choir from J.H.S., presented a beautiful seasonal concert which was later aired on the radio. This was probably a highlight of the whole year. The choir also toured many Jackson area schools giving performances.

Band, Take the Field!

The Parkside High School Marching Band, under the new direction of Mr. James Mackie, displayed excellent performances throughout the year. They were seen at each home and away football games, often receiving a standing ovation from the crowd.

Last summer the band attended Michigan State University and received a high ranking in their superb exhibition. One of the band's highlights included the playing of the theme "Joshua."

We, the Eagles, commend Mr. Mackie for his fine direction in his first year at Parkside.

Editor, Steve Hansen, and Advisor, Mrs. Florence Beier.

Bi-Weekly Newspaper

The Parkside Heritage staff has done an excellent job this year in producing our bi-weekly newspaper. Mrs. Beier, advisor, and editor, Steve Hansen, have been busy instructing the staff in the art of putting out a newspaper.

Included in the paper were articles on events happening around the school, club activities, editorials, sports coverage, interviews, and exchange items from other Michigan high school papers.

Subscriptions were sold in September and October for the price of \$1.00 for the year. Every other Friday, the newspapers were distributed by the staff members to the homerooms.

Throughout the year the staff was kept hard at work. They spent long hours identifying pictures, selling ads, writing and rewriting copy, in order to meet deadlines. John Reed, even though not on the staff, helped with photography for the yearbook.

No doubt the combined effort of each staff member contributed to an improved yearbook.

Maria Clark, editor, and her assistant, Marty Cotton, spent many long hours last summer planning for the production of the yearbook. The book was planned to represent all phases of life during the 1969 year at Parkside.

1968 Captain Chris Webb

The 1968 Eagle Harriers earned a fine season for themselves and for Coach Dave Fultz, who after coaching each Cross Country team since Parkside's opening, is now retiring to administrative work. An exceptional coach, Mr. Fultz possessed the admiration and respect of each of his runners.

This year his team won 6 out of 7 of its dual meets, finished 5th in the Regionals, and was 2nd to Adrian in the South Central Conference by only one point. As Coach Fultz said, "I was very proud of our performance. We had to rise to the occasion, and we did, but it happened to be one point short."

With such fine runners as Mike Goodwin, 16th in the State, Scott Banovic, 31st in the State, and sophomore Doan Hansen, Captain Chris Webb led the team to a very rewarding season.

Cheerleaders Lift Spirit

This year's varsity cheerleaders carried on and heightened Parkside's tradition of exceptional cheerleading. Starting their year of cheering in the summer, the six girls attended a cheerleading clinic with adviser Mrs. Geraldine Travis. Practicing twice each week throughout the summer, they continued this schedule throughout the school year, along with cheering at all the varsity football games, basketball games, and the Cross Country Conference meet at Ella Sharp Park.

The cheerleaders entertained the grandstands with a pompon routine to "Mission Impossible." They also led tunnels for the football games, decorated the locker rooms, and made run-throughs for the teams. Their most famous and effective run-through said, "There's No Tomorrow." This helped to boost the football team which won a piece of the Conference title that night.

The cheerleaders encouraged not only the teams, but also the crowds.

Eagles Share SCC Title

The 1968 Parkside Eagles were great this year. They had the second best record in the history of the school: 7 wins and 2 defeats. The real "heartbreaker" of the season, though, was when the Eagles lost to Lumen Christi, 7-0, in a very close game. Termed by most, "the best high school game ever seen at Withington Stadium," it started what should prove to be a great rivalry in future years.

Coach Dave Driscoll was well received by the team and the school because of his eagerness and dedication. He attributed the Eagles' outstanding season performance to the *Team Spirit* and *Determination*. A slogan adopted for the East Lansing game was very appropriate: "There is No Tomorrow." The team had to win that game for a piece of the South Central Conference Championship – and they did. The true Eagle spirit showed up at this game. As Coach Driscoll stated, "We won the game going away."

Goalpost in sight means determination for Eagle.

Sophomore Cheerleaders: Sure Winners!

Promoting spirit this year for the reserve squads were sophomore cheerleaders Marilyn Bayler, Karen French, Mary Johnson, and Sue Winzeler.

They attended a cheerleading clinic at the beginning of the year and practiced every Tuesday and Thursday during the summer. The reserve cheerleaders continued this schedule throughout the school year.

Along with cheering for the junior varsity teams, the sophomore cheerleaders joined the varsity cheerleaders at the Lumen Christi and Jackson High football and basketball games. Run-throughs and selling pins were a few of their many activities to promote spirit.

Freshman Class Largest Yet: 524

Most freshmen are attending afternoon classes because of crowded conditions existing in the school. This has put the freshman class at a disadvantage. The majority of the freshmen have been unable to get acquainted with the upperclassmen except in sports or club activities. In spite of this the class is active, enthusiastic and shows a promising future.

As in previous years the freshmen are planning a 9-B dance for later in the school year.

Class of 1971

The Class of "71" has been an outstanding class who hope to accomplish a great deal before they leave Parkside.

The sophomores do not have officers this year. This is an experiment to see if more importance is given to the representatives and homeroom presidents.

They have sponsored numerous cupcake sales to earn money for the class. Between March 10th and 15th they sold orange drink and cupcakes.

The 10-B dance, May 17th, was a great success.

The sophomore boys become fascinated by the cameraman or is it the camerawomen? "Are you putting this picture in the yearbook?"

Junior Class Strives to Be Best

This year's Junior Class is striving to be the best Junior Class Parkside has had. They started the year out right with successful brownie and cupcake sales as money-earning projects.

A speedy ring committee made it possible for students to start ordering class rings on November 3rd. A red stone class ring was chosen instead of the traditional blue stone. A choice of three styles for the girls and two for the boys was available to the juniors.

The 11B dance was planned for November 23rd, with the "West Side Blues" performing. The theme of the dance was "The Land of Oz." Decorations were set accordingly. A yellow brick road led to Oz with many other interesting features.

The class officers were as follows:

Jim Jansen, *President*
Roberta Ancrile, *Secretary*

Diane Goler, *Vice-President*
Sue Robinson, *Treasurer*

Senior Class Officers, left to right: John McQuillan, Pam Becker, John O'Connell, and Joan Broughton.

Seniors Leave With Smiles and Tears

Phil Consolino was President of Michigan Distributive Education Clubs of America. He was elected October 1968 at the Michigan Delegates Congress Convention held at St. Mary's Lake, Battle Creek, as state president. He represents 2500 D.E.C.A. Michigan members. He will also represent Michigan at the National Leadership Conference to be held May 5-8, 1969 at Atlantic City, N. J.

The Senior class officers for this year were John O'Connell, President; Pam Becker, Vice-President; Joan Broughton, Secretary, and John McQuillan, Treasurer.

The first event the officers planned was the 12B. The theme was Days of Wine and Roses with two bands, Toad, and The Vision. Also, Mr. Fischer sang the theme song. The setting was a nightclub with tables and filled wine bottles.

Seniors picked the yellow rose for their class flower and navy blue as class color.

Outstanding seniors included the finalists in National Merit Scholarship Exam and the Mathematics Final. Athletics also produced some outstanding seniors. Stanley Trice made the all-state team, while Bob Black, Mike Kimling, John Harris, Tom Keeley, and Bill Zahn were chosen as all-conference.

When you come right down to it – our high school years are measured in hours. Hours spent in work and study and hours spent in relaxation and fun. That's why we chose "REMEMBER THE HOURS" as the theme for the 1969 Aquila.

It took a great many hours to produce this yearbook. We couldn't begin to thank everyone who helped – but we do want to extend a special "thanks" to the entire staff. Although the "hours" were hectic we managed to come through. A special thanks also to Mr. Lee Zimmerman, our representative from Taylor Publishing.

We hope in the years to come you'll look back at this yearbook and recall all the years spent at P.H.S. Many memories were made here – and when you thumb through the pages of this book always REMEMBER THE HOURS WE LEARNED, WE SPOKE, WE ACHIEVED AND WE GATHERED, but above all REMEMBER THE HOURS WE LIVED.

Sincerely,

Maria
and
Marty
